

[To Cardinal Angelo Sodano, Dean of the College of Cardinals]

29<sup>th</sup> June, 2016

Your Eminence,

As Catholic theologians and philosophers, church historians and pastors of souls, we are writing to you in your capacity as Dean of the College of Cardinals to request that the College of Cardinals and the Patriarchs of the Catholic Church take collective action to respond to the dangers to Catholic faith and morals posed by the apostolic exhortation *Amoris laetitia* issued by Pope Francis on March 19<sup>th</sup> 2016. This apostolic exhortation contains a number of statements that can be understood in a sense that is contrary to Catholic faith and morals. We have specified the nature and degree of the errors that could be attributed to *Amoris laetitia* in the accompanying document. We request that the Cardinals and Patriarchs petition the Holy Father to condemn the errors listed in the document in a definitive and final manner, and to authoritatively state that *Amoris laetitia* does not require any of them to be believed or considered as possibly true. For the convenience of the Patriarchs and members of the College of Cardinals, we shall send each of them a copy of this letter and its accompanying document.

Requesting your blessing, we are

Yours faithfully,
