

## *Novus Ordo*-Sanctioned Satanism: German Archabbot Plays in Rock'n'Roll Band

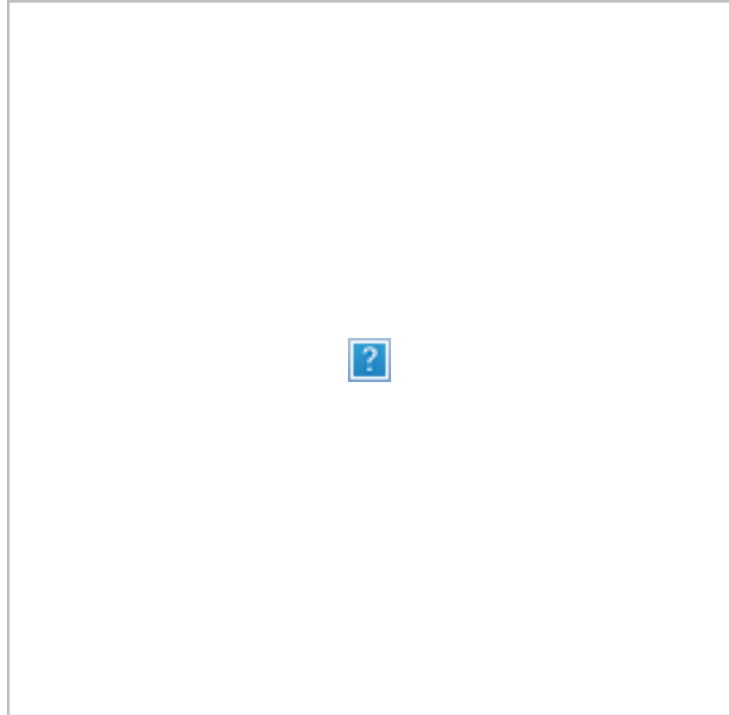

This story is so scandalous and huge that we're dedicating extra space to expose it. We have several pictures to share here, so if the page loads for a while, that's why.

This is German Archabbot Dr. **Notker Wolf**, OSB. **And a wolf he is!** In his early 60's, he was recently elected First Abbot of the Oblates of St. Benedict, which makes him the highest superior of all Benedictines in the world!

This *Novus Ordo* abbot reveals his sinister nature in his explicit affiliation with the rock group

"Feedback," in which he plays the electric guitar. The picture to the right is a cover of their latest album, "Rock My Soul." You can see him standing there left of center.

On the archabbey's web site, [you can purchase the CD](#), and you will see quotes of the following media reviews of the "Rock My Soul" CD:

"...Reverend likes to play hard rock, loves ZZ-Top and the Rolling Stones. As a guitarrist he has now put out an album with his band FEEDBACK, which will go on sale starting May 21 (Point Music, LC 04576). Not in the church music department, but in the hard rock box!

"Producer Sebastian Thorer (Mr. Mister, Rod Stewart, Mötley Crue) could have designed the new retrosound a bit more diabolically. But what might the Vatican have said about this? So, in any case, 'Rock My Soul' (Point Music) has definitely become a nice white-rock disc."

Can you imagine this man giving you advice in the confessional?

The following picture perhaps best reveals the diabolical nature of this undertaking:

Here's another picture of the "cool" archabbot:

This picture unwittingly displays how it's either the guitar or the Cross: you cannot serve both the world and Christ!

On their [web site](#), "Feedback" has a song list, and it includes songs like "Magic," "I Love Rock'n'Roll," "LSD," "Bootsboys," "Rock'n'Roll Party in the Street," and "Tie Your Mother Down." Performers mentioned there include the homosexual band Queen, Status Quo, the overtly satanic Van Halen, Jethro Tull, Depeche Mode, Deep Purple, Paradise Lost, ZZ Top, and Black Crowes.

So, you think the Vatican would put an end to this if they only knew? Yeah, right! The diabolical abbot and "Feedback" [are mentioned on Vatican Radio](#)!! A truly diabolical song can be downloaded as a sample from the [Vatican Radio link right here](#). In fact, Archabbot Wolf says that the Pope knows about his "hobby," though, he says, "he may not have been told that it's *rock* music."

Then again, there's a "rock priest" in France by the name of **Guy Gilbert**:

Well, what do you expect from the *Novus Ordo* Establishment?

Truly, this is **Satanism**, approved by the modernist hierarchy! We must resist this evil and instead heed the words of Sacred Scripture:

"Bear not the yoke with unbelievers. For what participation hath justice with injustice? Or what fellowship hath light with darkness? And what concord hath Christ with Belial? Or what part hath the faithful with the unbeliever? And what agreement hath the temple of God with idols? For you are the temple of the living God: as God saith: I will dwell in them and walk among them. And I will be their God: and they shall be my people. Wherefore: Go out from among them and be ye separate, saith the Lord, and touch not the unclean thing: And I will receive you. And will be a Father to you: and you shall be my sons and daughters, saith the Lord Almighty."

--II Corinthians 6:14-18

Let us pray:

**Saint Michael the Archangel**, defend us in battle. Be our protection against the wickedness and the snares of the devil. May God rebuke him, we humbly pray, and do thou, O prince of the Heavenly Host, by the power of God, cast into hell Satan and all evil spirits, who prowl about the world seeking the ruin of souls. Amen.
