Readers Take Issue with Wuerl Defense

Regarding the [story we posted here](#), *Novus Ordo Watch* has received several emails, which we are publishing here. We are posting them as we received them and make no claim about accuracy or inaccuracy. The views expressed therein are those of the people who sent the emails.

From a reader in Miami, Florida:

Sex education has no place in a Catholic School. The 5.5+ billion people that populate the world are proof enough that the world needs no education to procreate. These teachers of sex education are teaching "sex as a recreation". PERIOD. If sex educators told parents what their purpose was in teaching, no one would allow that to be talked around their children. These sex educators are at best, blind guides. They have to justify their college education expense (time and money), that's why they defend themselves as useful and necessary. They are useless, 5.5+ billion people exist as proof that sex education is useless. Rat poison is 99% nutritious grain, but it's the 1% of poison that kills. Sex education's "chastity" portion is the good grain, it's no more than 50% of the content, yet it is 100% of what sex educators will stress when they discuss their profession. Poison is poison whether it's 1% or 50%, it'll kill you just the same. By the very fact that the Reader who **Countered *Mothers' Watch's* Attack on Bishop Wuerl**, is a sex educator, she is not a reliable source for information, her opinions are compromised, by her profession (salary and time invested).

Why is sex education forced in Catholic schools? In public schools, a parent simply signs a request form that asks to be "opted out" of sex education. In Catholic schools you are forced by threat of expulsion! Why is that? Archbishop Favalora of Miami established the legal precedence by taking a family all the way to the Florida Supreme and throwing them out of the school.

The same reader then emailed us the following image, a scanned-in page of the newsletter of [Human Life International](#), edition August of 1998. [See for yourself here](#).

The following email reached us as well:

Check out the above link which proves that Bishop Wuerl knew of a Pastor's sexual indecent past and still had him in active ministry.

In response to the 7th grade CCD teacher from the Diocese of Pittsburgh, let me just say that she is deceived by her opinion of Bishop Donald W. Wuerl. Some of the filth and questionable activity of Wuerl includes but, is not limited to:

1. In last weeks Pittsburgh Catholic, Wuerl was pictured giving the "Master Mason's Secret Handshake" to another gentleman. Wuerl is a Mason. This in and of itself should explain his agenda.

2. Bishop Wuerl was caught in an act of indecency. The record was sealed by former Pennsylvania Governor Robert Casey. Casey was a pro-life governor and a devout Catholic who did not want to create scandal.

3. Wuerl was rumored to be the gay lover of the late Cardinal Wright. Wuerl was so close to Wright that he was permitted (unheard of in Vatican history) to accompany Cardinal Wright into the secret conclave to vote for the Holy Father when John Paul II was elected.

4. Wuerl has a private apartment where he has young seminarians come stay with him on occasion.

5. Male prostitutes in the Pittsburgh area have been limosine driven to Wuerl's private apartment.

6. Wuerl made an innocent priest his scapegoat when he was named in a lawsuit that accused him and other priest and seminarians of homosexual activity.

The above is just a sample of Wuerl's satanic past, present and future. Please withhold my name, as a member of my family have been threatened by Wuerl's aides.

Thank you and God bless you.

And yet another email that was sent to us, from someone in Louisville, TN:

quite frankly bishop wuerl is dead wrong .he is not fullfilling his obligation of teacher using catholic vision of love .what ever happened to teaching the lives of the saints and martyrs.i guess chasity and modesty is out of date.the fruits of teaching this slop is the huge numbers of catholic girls becoming pregant out of wedlock and the appalling numbers of girls having abortions.i dare say this bishop weurl has blood on his hands if one young lady in his diocease has an abortion because the children were not properly taught.its all about fatima.pray your rosary daily.....
